Matthews Clayton Mills, 2, and Donia Francette Adams, 6, were named Little Mister and Miss Pahokee Thursday. Little Mister Pahokee is the son of Mr. and Mrs. Roland Edwin Mills, Donia is the daughter of Mr. and Mrs. Don Adams of Canal Point.

Boys Club

The Jaycees are investigating the establishment of a Boys Club here. Arranging a Monday meeting, Rusty Hall, is trying to contact all civic organizations. Final arrangements for the meeting have not been made but all interested persons are asked to contact Hall at 996-7123.

Vocational Classes

Two vocational classes will start at Belle Glade High School. Beginning Bookkeeping will begin Monday at 7:30 p. m. and Beginning and Advanced typing will meet for the second time tonight at 7:30 p. m. Interested students will register at the regular meeting time.

Farmers Increase Acreage

Farmers plan to increase the overall field crop acreage, excluding sugarcane, 10 percent according to the Florida Crop and Livestock Reporting Service.

If growers' reported intentions are carried out, Florida will have more acres this year than last of corn, soybeans, flue-cured tobacco and hay. In terms of acres the largest increase is indicated for corn, an expansion of 54,000 acres to 504,000 to be planted this year. Of spring planted crops, soybeans show the largest percent increase, 24 percent more than last year. Thirty percent more wheat for harvest or grazing was planted last fall, while total acreage of oats continued its downward trend. Partially offsetting the expansion of crops is expected reduction in acreages of cotton, shade grown tobacco and peanuts. The combined Florida-Georgia acreage of shade grown tobacco is expected to be down 12 percent or 700 acres from last year. Cotton will be at an all time low of 14,000 acres.

The Nation's farmers, according to their reports in the National Farm Income Survey, plan to increase their 1967 crop acreage this year by 3 percent more than last year. Of the spring planted crops, corn led in acreage expansion, increasing 4.4 million acres—7 percent above 1966. Soybeans are second, increasing 3.2 million acres or 9 percent, and sorghums, third, at 2 million. Other crops with increased acreages expected in 1967 are all spring wheat, tobacco, dry peas, and sugar beets.

More winter wheat, but 9 percent less rye. Producer's plan on March 1 indicated a total feed grain acreage of 120.3 million—3 percent more than last year but 2 percent below average.

Bar Association To Give Liberty Award

The Palm Beach County Bar Association is accepting nominations for the Third annual Liberty Bell Award. Nominations from the Glades area should be given to Judge Robert Matthews, Jr., Municipal Court Belle Glade, who is a member of the Award Committee.

Nominations should be submitted with a resume Matthews said.

The Liberty Bell Award is a project of the Bar associations of the nation to give public recognition for outstanding community service which strengthens the effectiveness of the American system of freedom under law. Lawyers and judges are not eligible.

The Award is made in conjunction with the annual meeting of the American Bar Association.

Construction work on the water distribution system of South Shore Water Association started Monday morning at the City of Clewiston city limits, where Lionel LaGrow, Lake Placid contractor, began ditching and laying water main.

A pre-construction conference was held Thursday morning by Ed Watson, president, Clarence Knecht, director, representing the South Shore Water Association, Farmers Home Administration representatives John Stuart, Lake Worth and Jerry Ballard, Gainesville, Fred Greeno and Earl Maxson, Palm Beach county road superintendent for the Glades area.

Chicago Bridge and Iron Works, also represented at the conference will start work in about two weeks on construction of the storage tank at Lake Harbor.

Ed Watson explained the construction procedure. Laying of the water main will be done in segments, and as soon as one segment is completed, it will be flushed, inspected and when approved by the State (Continued On Page 2)

Bowling Tournament Held Here

Rogers Park Named In South Bay

At the South Bay Commissioners Meeting the commissioners voted to name the Park Site Area at the Hoover Dike on Highway 27, Rogers Park in honor of Billy Rogers.

The Park area has recently been completed with a boat ramp.

Rogers, a native of Ocala, is a well known figure in the Glades area, coming here in 1940 and having farmed in the Glades area for twenty-five years. Besides farming interest Mr. Rogers is interested in cattle and sugarcane, he is one of the owners of South Bay Grower, Inc.

Mr. Rogers and his wife, June live in South Bay and have four children.

Bowling Tournament Held Here

The Tri-City Championship Handicap Bowling Tournament which was held the last two weeks, was said to be the most enthusiastic tournament ever held in the Glades. The turnout was excellent as well as the many top scores.

Trophies and awards will be presented at the Tri-City Lanes on Sunday at 8:30 p. m. Trophies for the handicap events will be donated by Tri-City Lanes.

Senator Thomas

And Friday

Only Democrats

Senators Jerry Thomas and Elmer O. Friday were the only Democrats elected Tuesday in the special general election.

In Belle Glade and South Bay precincts the vote was well split over party lines except at the precinct voting at Lake Shore High School where no Republican received over 100 votes and all Democrats were in excess of 300 votes. Republican Skip Bafalis received 62 votes at Lake Shore, the largest vote for any Republican on the ticket.

Commission Met Mon.

City Commissioners handled routine business in their meeting Monday.

City Manager Tevis Huguley gave a visual report of progress on city projects at the meeting using color slides. A more extensive color slide report would be given at the next meeting. Huguley said, and the visual report would continue if the Commission found them satisfactory.

The Commission approved the proposal of the Chamber of Commerce Beautification Committee to use city crews to landscape the Municipal Library. The Beautification Committee will provide the necessary plants, said Committee Chairman, Dr. Don Flieth. The Committee had landscaping plans drawn up to present to the city. The County Landscape architect has been working with the committee on the Library project and drew the plans and has offered to supervise the planting. Dr. Flieth said.

Huguley reported to the commission the securing of bonding ordinances to spell out minimum housing requirements. "Most of our needs are already covered by the Planning and Zoning Board and the state Hotel and Restaurant Commission," Huguley said. The commission passed on the information to the Planning and Zoning Board for its consideration of a minimum housing requirement ordinance.

The Park Tractor Mower bid was awarded to the Mower Shop. The bids were very close between Glades Equipment Company and Cycle Mower Shop, Huguley said. The deciding factor was that Cycle Mower Shop is in the City.

A Rotary Mower bid was awarded to Walter Ashley Garage at \$1,045. Lake Equipment Company submitted a revised bid of \$992.50 for the Rotary Mower but the bid was accepted after the reading of the bids and the commission decided not to consider it.

Commissioner Bill Weathers questioned the request of Huguley to attend the City Manager's Short Course in mid April. Weathers did not give a reason for his objection and the commission tabled the request until the next meeting. Discussion on the matter was short. However, both Mayor Bill Bailey and Commissioner Lorenzo Connell said they favored the request. The item is included in the city's budget for this year. The course is to be held at Florida Atlantic University.

Frank Anderson gave a brief report on the Finance Officer's Short Course he had just returned from at the University of Florida. He alerted the commission to several financial matters of concern to municipalities.

Anderson said the upcoming legislature will be considering a state wide pension plan that the city may be able to take advantage of for its employees.

John E. Baker, City Attorney, told commissioners that (Continued On Page 2)

An October wedding is planned.

Teach Children With Radio, TV

Parents — not teachers — must carry the brunt of a child's early education, says Dr. James I. Brown of the University of Minnesota. Author of a new Visual Linguistic Reading program published by IM Company, Dr. Brown underlines the fact that children spend two-thirds of early learning years in the home. "Parents can help educate their children by surrounding them with words and word environment, and by sharing experiences and verbalizing feelings," says Dr. Brown. "In brief, keep a constant dialoguing with your children, provide a rich reading background, and turn 'distraction media' such as television or radio to learning situations by participating with children and stimulating question-answer dialogue about content."

Charm May Be Perilous

You just can't win them all! There you are bathing every day with a soap that promises to inhibit perspiration; applying creams and lotions and sweetly scented perfumes to your person to make you look and smell attractive; when you are actually poisoning your system.

Well, most of the time you achieve your objectives. But some of the time, some of us develop allergic skin reactions when we take our flower-like person into the sunlight. That's what dermatologist, Dr. Henry H. Roenigk, Jr., reported at a recent medical meeting here. According to the physician the widespread use of additives in such products as cleansers, shampoos, cause allergic reactions or sensitivity in some people.

THOUGHT OF THE WEEK

There are many ways of being frivolous, only one way of being intellectually great; that is honest labor.—Sydney Smith.

HAVE YOU FORGOTTEN?

Belle Glade is a pretty nice place to live.

In fact it is one of the best communities in the country!

The community is progressive in business and in public spirit.

Take a ride through the town. Compare the homes the streets, the business district, the industrial area with hundreds of small communities you might see on your vacation trip.

Consider the fiber of our people. They have community pride, and are capable of being incensed when misrepresentation of our community is aired through the nation.

The magic of our community focuses attention upon us. Yes, it is unfortunate that we have not made more progress but this is not a community that has "arrived," it is a community in transition, doing a better than average job in keeping up with the progress of our times.

We should neither accept the unequalled condemnation of others nor be satisfied with ourselves. The condemnation seems to focus the guilt of a nationwide socio-economic problem on our area.

Our satisfaction seems to stem from the desire for a status quo, being afraid that rocking the boat will bring disaster instead of further progress.

We should face just criticism with pride, lies with open contempt, and continue to steer our course toward progress. We have a solid foundation, a wonderful community and a bright future.

There is no reason for this community to bow its head to the present stream of criticism, but rather we can proudly continue to improve our community knowing that this is not a new goal nor one that will be accomplished tomorrow but one which we can and will attain.

Belle Glade IS a wonderful place to live.

SENSING THE NEWS

By Thurman Sensing

EXECUTIVE VICE PRESIDENT

Southern States Industrial Council

Hoffa and Powell

The hour finally arrived, and Jimmy Hoffa — undisputed ruler of the Teamsters — went to jail. In the same period, Adam Clayton Powell, the Congressman from Harlem and a playboy of the Bahamas, was denied a seat in the U. S. House of Representatives.

Both events unquestionably proved a comfort to millions of good citizens who have been deeply dismayed at the offenses committed by Hoffa and Powell. The two men long seemed to be above the law or any form of corrective action. For three years, Jimmy Hoffa stalled the processes of justice. He used every conceivable delaying tactic to prevent paying his debt to society. As for Powell, he mocked the law, the Congress and the people of the United States. It is crystal clear that he acted on the assumption that he could not be brought to account, that he was a one-man privileged sanctuary.

For the time being, both men have received a jolt. Hoffa is behind bars. The only people he could hope to perjury-olyanize are his fellow con-

victs in federal prison. Adam Clayton Powell may act with his usual cockiness, but he no longer occupies a seat of power on Capitol Hill. Americans can be thankful that he is no longer numbered among the lawmakers.

But the situation of both offenders against society is such that the public can't be entirely happy. Hoffa is no longer in the head office of the Teamsters Union, but he still exerts power from a prison cell. The Teamsters evidence no shame at Hoffa's conviction. Nor is there any evidence that Hoffa's style of rule is about to disappear. It is not only Hoffa the man who needs to be removed from circulation but the Hoffa philosophy of unionism. The unions have to experience real democracy. Union members still are in the grip of youthful and ruthless union bosses who are true overlords.

Powell will also continue to be manifested in his home district. James Meredith's hasiretirement from the field against Powell is evidence of the remaining power of the

preacher-politician-playboy. No one may ever know the extent of the pressures — even threats — directed against Meredith when he sought to run against Powell. As one writer has said, Harlem will have a "Russian election" and Powell will be re-elected. The misguided people of his district, who are infatuated with his content of the public interest, seem certain to return him to Washington. Again, Congress will be duty bound to refuse to let him be seated. Powell's presence in Congress would be a stain on that body.

Hoffa and Powell represent what the nations refer to as "kakistocracy," or rule by the worst. In the waning days of the Roman Republic, ruthless opportunists, catering to the mob, gained enormous power. They helped bring to an end one of the finest governments in history. Hoffa and Powell likewise represent pernicious influences in American life. They stand for things which are utterly incompatible with free republican government. Democracy is a disease of free states, and cannot be tolerated. As in the case of many diseases, a permanent cure involves as much reduction as medication.

For Hoffa, the courts have provided the right medicine. The Congress also furnished the needed medicine in Powell's case. But continuing and increased education of the public is needed to make the Americans can people aware of the political and social evils of Hoffa and Powell stand for.

THE FISHING REPORT

THEY ARE JUMPING IN THE BOAT as reported by Joe Rush, 2411 Rue Road, West Palm Beach, and witnessed by Mr. and Mrs. George Ives also of West Palm Beach. Rush reported he was fishing in the mouth of Winnie's Cove on Saturday morning when a Bass jumped into the boat. Rush said he was much too excited to continue fishing, and brought the fish in to Slim's Fish Camp, where he weighed in at 5 pounds. The fish was kept alive and on Display at the Fish Camp all weekend.

The following fishermen used more conventional methods in catching their bass:

Russell Buss, Belle Glade, had 5 bass on Saturday using live shiners.

Jimmie Taylor and Wallace Lutz, local fishermen, brought in 9 bass on Saturday using artificial bait.

Ronnie Morris reported a 3½ pound bass using live shiners.

The speckled perch also did very well over the past few days with the following catches reported:

On Thursday Charles Corbin and Jim Ritchie, Colquitt, Ga., brought in 60 using live minnows.

On Thursday and party report 35 on Thursday using jigs. Mr. and Mrs. Joe Moody brought in the limit on Friday, Saturday, and Sunday, and had a nice string on Monday morning. They were using live minnows.

Mr. and Mrs. George Ives of West Palm Beach and their party brought in the limit on Saturday and Sunday. The Ives' were fishing with live minnows.

Bass are still in the news! also bluegills are coming in! Raymond ReWald from Lake Park brought in a 9 lb. 9 oz. bass. Pratt Whitney employee fishing contest. However he was not registered in the local Joyce contest.

D. E. Beale and Wayne DeWitt and their families are fishing. The fathers and three boys took 93 bass up to 6 lbs. fishing from Sunday until Tuesday evening.

Eph and Tandy Morris are still bringing in big catches of Specks.

Bud Glass and Joe Wall brought in some nice bluegill. Fred Sikes from Pahokee got his limit of bluegill on Sunday.

Glen Smith and Ernie Paston from Danville, Ill., caught 18 bass.

Uncle Dan from Doolie Says:

Dear Mister Editor:

The way our Government was stockpiling them items for a emergency reminds me of the letter that got his hair cut short over two months. The first time it was too short and the second time it was too long.

What brings this matter to mind was this place I was reading where some Congressmen had been looking into our stockpiling problems. They came up with some unusual figures and items. For instance, they found we now got 63 million karats of industry diamonds and 16 million karats of affares and rubies.

According to this piece, the Pentagon started out to stockpile 9,500,000 pounds of castor oil, but we now got 148,172,191 pounds stored away. Then Congressmen do a little figuring and reported we was 138,672,191 pounds over weight in the castor oil emergency program.

What brings this matter to mind was this place I was reading where some Congressmen had been looking into our stockpiling problems. They came up with some unusual figures and items. For instance, they found we now got 63 million karats of industry diamonds and 16 million karats of affares and rubies.

But Ed, Mister Editor, was always looking on the dark side of things. And he was in a special bad mood Saturday night. He put for for Medicare when it had to pay for it with taxes whether he got it or not. His old lady also was giving the Medicare benefits and he had to spend two nights last week in the hospital. Her bill, reported Ed, came to \$42.80 and the folks at the hospital told him he had to pay the bill.

Clem Webster of the Great Society pointed out that Ed saved \$2.80 on the deal and he had ought to be thankful for his blessings.

Ed had a heap to say about this and him and Clem had it back and forth for a spell. If I was setting as the jury I would have to say both of them come out guilty beyond reasonable doubt.

Final, Gabe Grubb broke it up by asking what the fellows thought of the Government program to pay for Head Start schools for three-year-old youngsters. Gus Blood said it couldn't mean but one thing, the Government was figurative pants was now surplus and was taking up raising the youngsters well and furthermore, allowed Gus, this could bring along another Government program to take care of the four and five-year-old school dropouts.

Did Jesus Know Of Death Plot?

By Lewis Llewellyn
Did Jesus know, before it happened, that He would be arrested, tried, and put to death by the Romans who ruled Judea at that time?
If He knew that the agonizing death of the crucifixion was awaiting Him, why didn't He do something to protect Himself from it?
"TAKE UP THE CROSS"
He hinted at the way in which He would be killed when He said to those who would be His disciples, "Come, take up the cross, and follow Me."
Furthermore, it is recorded in the Bible that He told His disciples "that He must go up to Jerusalem and suffer many things of the elders and chief priests and scribes, and be killed, and raised again the third day."

Not only did He know that He would be killed by crucifixion — He also knew that He would be betrayed and He knew the amount of money that would be paid for the betrayal.
PRICE OF BETRAYAL PREDICTED
The Prophet Zechariah had written, centuries before, "I said unto them, If ye think good, give me my price; and if not, forbear." So they weighed for me my price 30 pieces of silver."

Read I Corinthians 15:20-28
He will swallow up death in victory. (Isaiah 25:8).
My memory of Easter in 1943 will forever be a vivid one. Our battalion had just arrived overseas and was still in a staging area near Casablanca in North Africa.

The chaplain conducted the Easter service in an olive grove on a nearby hillside, and I thought of Gethsemane. A passing camel caravan on the crest of the hill added to the setting.

Death for some in our outfit was in the near future. But on that glorious morning our thoughts turned primarily on the risen Christ and His victory over death. Home seemed far away, but Christ seemed to be as near as the soldier sitting on the ground next to me.

I have been even more aware of His presence in the years that have come and gone since that memorable Easter. I thank God that the resurrection enables me to walk in newness of life.

PRAYER: Father of us all, we thank Thee that by the redemption offered through the crucified and risen Christ we are Thy sons. With joy we offer our gratitude that we can also experience triumph over death; through Jesus Christ Thy Son, in whose name we pray. Amen.

Winn-Dixie And Kwik Chek Stores Close On Sunday
The official closing of all Winn-Dixie and Kwik Chek Stores from West to Vero Beach, began last Sunday, Mar. 26. This includes all the stores in the Winn-Dixie's Miami Division.

In announcing the closing of the stores on Sunday, C. W. Waldorf, vice president, Miami Division Manager stated "You are probably aware that a great deal of grocery shopping is done on Sunday. By closing our stores on Sunday, Winn-Dixie and Kwik Chek could lose much of the business that we have enjoyed on this day."

Therefore, we solicit your help. We urge that all congregations be notified and that with their patronage during the week, we may be able to offset the loss of business which will occur on Sunday.

Mr. Waldorf added "We feel that if we can successfully close our stores on Sunday without experiencing a loss in sales, other stores will follow. We wish to thank you for your assistance in returning Sunday to its rightful place."

Another special feature was the selections of the Great Chorus of the high school, the Ninth grade chorus and the organ recital by Mrs. Gordon Corbin, with the added attraction of the Cantata by the Chancel Choir in the "Seven Last Words of Christ."

Everyone commented on the combined program as exceptional and inspiring.

Second International Prayer Fellowship Held Mar. 24-27
A total of 250 persons from all over the world and from many parts of the country attended an international prayer fellowship, jointly sponsored by the Upper Room and Scarritt College in Nashville, Tennessee, March 24 to 27, 1967 at the headquarters of the Upper Room, according to Dr. J. Manning Potts, editor of The Upper Room and chairman of the Fellowship occasion. Among those were ninety graduate students from other lands who are studying in the United States and twenty-two students from the U. S.

Other persons interested in the Fellowship also attended by invitation. Many denominations were represented in the attendance.

Countries represented by the overseas students were Australia, Hong Kong, Mexico, Indonesia, Congo, Philippines, Japan, Korea, India, Taiwan, Malaysia, Italy, Lebanon, Brazil, Kenya, New Guinea, and Madagascar.

Delivering the main addresses were Dr. Elmer Hemmighausen of Princeton Seminary; Dr. Nels Ferre, formerly of Vanderbilt, now of Parsons College, Iowa; Dr. Thor Hall of Duke Divinity School; and Dr. Gerald O. McCulloch of the Board of Education of the Methodist Church, Nashville. Dr. Kermit Long, General Secretary of the Methodist Board of Evangelism; and Dr. Harry Denman, world evangelist, also were among the speakers.

This was the second International Prayer Fellowship, the first having been in Seoul, Korea, in 1964, according to Dr. Potts.

The inspirational addresses as well as the entire program centered on the themes of The Last Supper, the Crucifixion, the Resurrection, and Pentecost, which are the themes of The Upper Room Chapel and The Upper Room Age Garden.

Methodist Easter Program Attracts Many

Fuoridation May Aid Bone Disease
Boston, Mass. (WVNS) — Women growing older in Connecticut cities with populations of more than 20,000 may find that they do not suffer from that debilitating bone condition, osteoporosis. For Connecticut law now makes it mandatory that cities fluoridate their water — and fluoridation may be as good for man's and grandpa's bones as it is for junior's teeth.

Methodist Men To Attend Retreat At Youth Camp

Approximately 250 are expected to attend the Methodist Men's Retreat, Saturday and Sunday at the Methodist Youth Camp in Labele.

Methodist men and their teenage sons are invited from three districts which include Sarasota, West Palm Beach and Miami. The Methodist Men from the Community Methodist Church, Belle Glade will be hosts. A fish fry will be held on Saturday night.

The retreat will be from 1 p. m. on Saturday until 1 p. m. on Sunday. The men will experience a rustic weekend of camping out.

Rev. Ed Garrett, of Hollywood, Fla., former minister, at Community Methodist Church here, will conduct the 4 o'clock services.

In the evening following the fish fry and picnic there will be an hour of sharing. Mr. Randall Hughes and outstanding layman from Tampa will be the speaker, and other laymen will give testimonials.

A foremost speaker, Dr. C. Gordon Brown, retired, will bring the message at the sunrise services. He is presently a council associate with the Billy Graham Crusade. He holds honorary degrees from Colby College, Wheaton College of Luke 24.

A short business meeting was conducted by Mrs. Sabiston, chairman of the circle. Others attending were Mrs. Ivan Van Horn, Mrs. Addie Durr, Mrs. Thos. Dooley, Mrs. Dora McWhorter and Mrs. Miriam Dulany.

Fuoridation May Aid Bone Disease
Boston, Mass. (WVNS) — Women growing older in Connecticut cities with populations of more than 20,000 may find that they do not suffer from that debilitating bone condition, osteoporosis. For Connecticut law now makes it mandatory that cities fluoridate their water — and fluoridation may be as good for man's and grandpa's bones as it is for junior's teeth.

Las dos piscinas municipales en Belle Glade, se abrieron al público el día 10, de Abril. Ambas han sido pintadas y reparadas. Habrán facilidades para alquilar las piscinas individualmente o en grupos. Habrá dos salvavidas atendiendo las piscinas.

Cinco o seis puertas de cristal de corredores en el Belle Glade Civic Center fueron dañadas por vandales en pasado sábado, con excepción de pedileto o BB, produciendo doce agujeros a las puertas de cristal.

Reponer estas puertas de \$84 pies, costará un estimado de \$600.

Toda la pasada semana la policía continuó la búsqueda de la joven muchacha de 13 años, Genie Fay Jones, desaparecida camino del colegio a su hogar, en Ocoee Center, Belle Glade, el pasado jueves.

NORBERTO DUEÑAS JR.
Al cumplir sus siete años, el joven Norberto Luis Dueñas, hijo de Marina y Norberto Dueñas, celebró su cumpleaños con un simpático party en su casa, asistiendo más de cien personas, entre las que se encontraban amigos de Belle Glade, Clewiston, Pahokee y WPB.

Todos le desearon muchas felicidades.

Teacher of the Week Coach Luke

One of the most important factors in a student's life is being guided in the right direction. Mr. Terrill Luke, more commonly known as Coach Luke, helps determine undecided students concerning college, working, and various other things. His main position is that of counselor; however, he cooperates in many other aspects of school life. The gym and the guidance office are the two places where he spends the majority of his time. Basketball is of utmost interest to Coach Luke, and he spends a great deal of his time coaching the members of the basketball team.

Delta State College in Mississippi is the one he attended for his first four years. Later he received his masters from Florida State and worked past his masters at Mississippi State College. Coach Luke spends much of his time with his three children: the Lukes have two boys and one girl. He is an active member of the First Methodist Church in Belle Glade.

Coach Luke has been chosen teacher of the week because of his compatibility among the students and the many hours he spends counseling.

Diane Lutz Wins Door Prize

Home Ec. Girls Visit Caters

Fourth period Home Furnishings class took a field trip to Caters Furnishing Store in West Palm Beach, last Wednesday.

J. J. Cater Jr., conducted the tour through the various departments of the store. The class was shown the different styles of furniture, carpeting, and drapery; they were also shown the difference in the woods and finishes that go into the making of furniture.

Refreshments were served in the carpeting department by Mrs. Gooding, the interior decorator for Caters furnishing store. Mrs. Gooding showed the class several different color schemes that could be used with different types of furniture.

A set of green glasses was won as a door prize by Diane Lutz.

Students Of The Week

Diane Shiver

Known around campus as "Shiv," one just can't miss red-headed Quinlan Diane Shiver.

Even though she has a temper, characteristic of red hair, she is quiet and studious. If she isn't laughing she's smiling.

She lives in South Bay, along with her three brothers and one sister. Her father is a farmer, who also grows flowers, and her mother, a housewife. Her brothers include Danny, who is in the Air Force stationed in Arizona; Mike, who attends Troy State; and Bo, who is a sophomore at BGHS. Her sister, Dorothy, is in the 6th grade.

Diane can usually be seen driving the "White Sprite," her '63 Falcon Sprint. However, her preference would be a navy blue, white vinyl top G. T. O., with 4 on the floor and a 389.

She is a member of the FTA, FFA, Para Medics, and Candy Strippers. She is president of her Sunday school class at First Baptist Church of South Bay, and is vice-president of FHA.

Diane's favorite colors are blue and green, and her favorite subject in school is Contemporary History. Her favorite song, when listening to records, is "Monday, Monday" by the Mamas and Pappas. Diane's only gripes are "inanimate people" and "people who can't laugh."

She plans to attend Orange Memorial School of Nursing in Orlando and become a registered nurse.

Troy Martin

Troy Woodrow Martin was chosen previously this year as the sponsor of the homecoming game, to ride on the senior float, and as the "Best Personality" superlative. Another big part of this year for Troy is coming up, the senior trip.

As president of the Royal Order of Terrible "Cenosis" (R. O. T. C.), it is Troy's job to keep everything working properly. The R. O. T. C. is a club whose goal is pleasure through work. The members work in projects to raise money with which to pay their way to Nassau on the senior trip.

He is a member of Diversi-field Cooperative Training (DCT) and works as a mechanic at Glades Chevrolet Company, where he plans to work after graduation.

As most people, Troy has preferences. He likes "working on junkies," dragging speech class, the color blue, Ford's (preferably blue '66 Mustang), the old song "Good Night My Love" by Ray Peterson, and his favorite saying is "What's the matter — you Crazy?"

Rams Beat Stuart

The Rams blanketed Stuart 3-0 here Tuesday in a conference baseball game. Jorge Rodriguez hurled a 3-hitter while striking out 9 and walking only 2 men.

The win gave the Rams a 2-1 conference record and a 3-4 overall record.

There's a difference between a ham and a picnic ham. A ham is cut from the upper part of the hind leg of a pig or hog. The end of pork called a picnic or picnic shoulder is the shank end of the shoulder.

(l to r) Gilberto Alvarez, Rolando Becerra, Mike Foster, and Jack Payne are being shown the sizes and styles of "class rings" by the student activities coordinator, Mr. Ben Ward. The class rings started arriving Monday, and the Juniors received them on Thursday. Approximately \$3,340 will be spent for the rings by the 167 member Junior class.

Alike?...Not by a long shot!

To the casual observer identical twins are almost impossible to tell apart. Once you know them well, however, you can see the individual characteristics that set them apart. And so it is with your bank. Another financial institution may look the same on the outside but there the similarity stops. Think a minute and then ask yourself a few questions about this other financial institution. "Does it guarantee, in advance, to pay a specified rate of interest on savings? Can it provide trust services? Does it offer checking services?"

Does it provide depositor protection up to \$15,000 under The Federal Deposit Insurance Corporation? The answers to these questions can be "YES," only if it's a bank. If you don't know the difference between a bank and this other financial institution may be you should ask a few more questions.

"Why not ask us? The Florida Bankers Association, P. O. Drawer 1513, Orlando, Florida, 32802. We will be happy to send you free, a folder that could affect your financial security."

A. Gressinger Qualifies For State Tourney

Aggie Gressinger qualified for the State Golf Meet Tuesday when Belle Glade played John I. Leonard and Boca Raton. Jean Jackson qualified last week. Both girls became eligible with scores of 54. The State Golf meet will be held in Port Lacy, Florida. All high schools in Florida will be represented.

The boys team beat John I. Leonard with a score of 3-1 and the girls team won 4-0. The boys' and girls' teams ended with a split of 2-2 when playing Boca Raton. Tommy Altman, the medalist, scored 40 which was the best score among the boys. A girl from Boca Raton was the best scorer among the girls' with 49.

We Knows It All

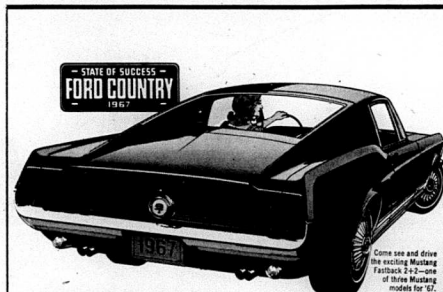

What is the required minimum score on the Senior Placement Tests for admission to Florida State University and the University of Florida?

V. S. C. As officially stated, the required minimum score on the Senior Placement Test to be considered for admission is 300 for FSU and University of Fla. However, in reality, there are enough applicants with scores of 350 and above that this 350 is the average cutoff point. The requirements for all state universities are the same.

Seniors Lead Double Lives

During the past two and a half weeks, many of the seniors have developed double identities. They are seen throughout the day by friends, family, and faculty as their normal selves. When the mysterious hour of 6 o'clock arrives, these students are transformed into the civic minded townfolk of Putnam's Landing, Connecticut.

This is nothing to cause alarm. This is an annual phenomenon common to seniors of BGHS. They assumed these identities on March 12, the first day of practice for the 1967 senior class play "Rally Round the Flag, Boys!"

Students Of The Week

Jasper

RALPH JASPER

This week the Newspaper Staff has chosen Ralph Emerson Jasper, as Student of the Week for his outstanding achievements.

Since his entrance in LSH he has maintained a "B" average and is a constant worker of many organizations. He was elected by his fellow classmates as Reporter of the Senior Class. He was appointed advertising manager of the Yearbook Staff by Mrs. Peele, Sponsor of the Yearbook Staff and a member of the well known "Marching Bobcats." He has a very important part in the Senior Class play, and is a member of the Newspaper Staff.

Campus Highlights

Patron ads can be purchased from any senior, have you purchased yours?

The Debutantes were given a picnic on Monday. An Art exhibit was held on Thursday in the Gym.

Cake baking isn't a problem to the Homemaking department.

The D. C. T. club plans a banquet on March 30.

The Scout Troop 771 and Explorer Post under the direction of Mr. J. W. Perry, Dean Todd, and Coach Davis, plans a trip to camp.

The committees for the senior class play are on the go.

THINGS TO REMEMBER

To see what is right and not to do it is cowardice—Confucius.

Analyze the past, consider the present, and visualize the future—T. J. Watson.

To conquer one's self is the best and noblest victory—Plato.

We win justice quickest by rendering justice to the other party—M. K. Gandhi.

We'd all be successful if we followed the advice we give the other fellow—W. Feather.

Carrigan

LULA MAE CARRIGAN

A person of dignity, intelligence and loyalty, was voted "Most Valuable" by the senior class members. She is Lula Mae Carrigan.

She is a very active student in all classes. Her favorite subjects are English, Mathematics and Shorthand. "I like English and Math because they are difficult subjects. I believe in studying hard and struggling for my goal: Shorthand is a business course and I like business," she said.

Lula is a member of the FTA chapter, Yearbook staff, Senior Girl Scout Troop 194, and President of the LSH chorus. She was chosen "Miss Homecoming" for the 1966-67 school year. She has been chosen as a Debutante of 1967.

Lula plans to attend Palm Beach Junior College and Florida Atlantic University to become a speech therapist.

Lula has maintained a B plus average throughout her senior year. She ranked as one of the top ten scorers on the Senior Test.

She was born to Mr. and Mrs. Leroy Carrigan on November 2, 1949 in Belle Glade, Florida. Her hobbies are dancing, singing, listening to all types of music and reading.

The Newspaper staff wishes to congratulate Lula for her outstanding achievements.

LSH Downs Kennedy 8-5

The powerful LSH Bobcats knocked off eight runs in the top of fourth inning to defeat Kennedy High of Riviera in a Southeast Atlantic Conference Baseball game.

Oxeter Harrison held the Vikings to 3 runs until the six inning when he was relieved by Robert Durham who held the Vikings to two runs.

LSH had 8 runs, 8 hits and one error while Kennedy had 5 runs, 6 hits and 5 errors.

Spanish Students To Celebrate

On April 14 members of the Lake Shore High School Spanish Club will celebrate Pan American Day.

The governing Pan American Union composed of the Republics in North, South, and Central America adopted a resolution on May 7, 1930 setting forth the desirability of observing a day to be known as Pan American Day in all of the American Republics and suggesting April 14. It was further recommended that all the governments represented in the union designate that day as Pan American Day and that the national flags be displayed at that time.

President Hoover issued a proclamation on March 7, 1931 ordering that the flags be displayed on all government buildings and inviting the schools,

civic-associations and people of the United States generally to observe the day with appropriate ceremonies, thereby expressing to the spirit of continental solidarity and to the sentiments of cordiality and friendly feelings which the government people of the United States entertain toward the peoples and governments of the other Republics of the American Continent.

Pan American Day was thus observed for the first time in 1931. The ceremonies in Washington were held in the Pan American Building, attended by the President of the United States, members of his cabinet and the diplomatic representatives of the other American Republics.

Springtime To Fitness

Do you consider work, shelter at home or outside play as one way of enriching your mind?

Do you avoid mental anxiety by finding satisfaction in work or play?

Do you strive to be content and happy each day whether at work or play?

Do you understand the great need for developing better attitudes from youth as a help to conquering mental illness?

Did you know that one way to learn control of emotions is through group or individual sports?

Have you noticed that the people you admire are often also physically fit?

Did you realize that physical education can help you develop socially and mentally as well?

Do you appreciate the importance of participating with your family in traditions handed down through the years?

Did you know that the strength of our nation is determined by the strength of the home?

Do you feel that spiritual fitness could be improved by establishing sound moral and religious guide lines in the home?

Now, ask yourself those questions and find out where you stand?

Excerpts from the article, "How Fit Are You As a Family Member," which Nancy Collier wrote as an FHAer at Westward High School, Palestine, Texas. Now she is using words as springboards in her work as a speech therapist at the Tyler, Texas High School.
